Q: I can't attend all of the movies I've purchased tickets for (or I want to go to different theatres on different days). Am I able to purchase individual tickets instead? How much do individual tickets cost?

A: If you plan to attend at least 4 movies at the same location, it is more cost effective to purchase Season Tickets. Purchasing season tickets in advance also ensures seating availability. However, we do sell individual tickets for \$2 each. Individual tickets are not sold in advance, but are available at the box office, on a first come first serve basis. Please note that seating availability may be limited due to advanced purchases made by season ticket holders.

Q: What is the price of an Adult SMF ticket?

A: SMF tickets are the same price for adults and children. However, adults will not be admitted unless a child accompanies them. Also note: Children of any age are only admitted with an adult accompaniment.

Q: I have a group of seniors/disabled adults who would like to attend SMF. Is this program just for kids?

A: Yes. The SMF Program is exclusively for children 12 and under. For security reasons, adults are NOT under any circumstance, admitted unless a child accompanies them.

Q: Is 9:45am the only showtime?

A: Yes, due to our regularly scheduled showtimes, 9:45am is the only available SMF showtime.

Q: Do I have to purchase a ticket for my child who is 2 years or younger?

A: Children 2 and under do not need a ticket for admission. However, they must sit on your lap if there is limited seating available. We recommend that you purchase a ticket for your child if you wish for him/her to have his/her own seat.

Thank you for your continued support of PTA Programs!
